As such is the case, we would save themselves much sickness. Persons of se-bilitated constitutions will find these bitters advantageous to their health, as we know from ex-

perience the salutary effect they have upon weak

and you can bid defiance to epedemics generally. This extraordinary medicine we would advise our triends who are nt all indisposed, to give a trial- it will recommend itself. It should

in fact, be in every family. No other medicine can produce such evidence o merit.' Evidence upon evidence has been received foregoing) from all sections of the Union, the last three years, and the stronges testimony in its invor, is, that there is more of it used in the practice of regular Physicians of a fact that can easily be established, and fully proving that a scientific preperation will meet
